CHRISTMAS BY THE SEA

in Ogunquit, Maine

featuring Portland & Kennebunkport
December 14 - 15, 2024 * 2 Days, 3 Meals

Maine lights up for the holidays and three of its most popular seaside towns put on a great show to celebrate **Christmas**. We first travel to **Portland** for a guided tour of the neighborhoods and the waterfront decorated in Christmas pageantry, highlighted by a visit to the **Victoria Mansion**. A national historic landmark, the mansion becomes a Christmas wonderland with Victorian decorations and Christmas trees every holiday season. We continue our tour to the famous **Portland Head Lighthouse**, followed by free time for shopping and lunch along the **Portland** waterfront. Afterwards, we head to scenic **Ogunquit, Maine** for its **"Christmas by the Sea"** celebration, where village streets and nearby **Perkins Cove** are decked out with lights and classic holiday scenes in the storefronts for an afternoon of shopping or relaxing with a hot drink in the cafes and bars. We will check into the **Meadowmere Resort**, one of Maine's leading resorts in central **Ogunquit**. The hotel

boasts unique, comfortable accommodations and many amenities such as an indoor pool, steam room, sauna, Roman tub room and relaxing room. Dinner tonight is at the hotel in **Jonathan's Restaurant** (an Ogunquit institution). The following day after breakfast and check-out we travel to nearby **Kennebunkport**, where its **Christmas Prelude** is in full swing. Visit the many **Craft exhibits** featuring hand-made Maine products, including Christmas decorations and unique gifts. Enjoy holiday shopping at boutiques, shops and galleries with festive holiday refreshments.

We will end our **Christmas** excursion with chowder, steamers and Lobster lunch (with alternative choices) at the **Bull N Claw** restaurant before we head home filled with **Maine Christmas memories**.

Price: \$491 per person double
